Discussion Regarding School Superintendents Updates: Nothing to report today. This item will remain on future agendas.

Discussion of marketing opportunities to promote the Promise to Address Comprehensive Toxics (PACT) Act and other Veterans Service Office offerings: Mr. Crawford said he was at a conference last week. The PACT Act was a big topic of discussion. He is exploring outreach options. The Veterans website has been updated. Mr. Crawford will reach out to WCLO to see if he can do a radio segment with them. Some other outreach ideas were making fliers for distribution in the community and through other Rock County departments, presentation to the County Board, a social media push, a possible booth at the NAMI 5K. Mr. Crawford would like to increase the outreach slowly as he has concerns that him and his staff will be able to keep up with the demand. He is going to talk with Corporation Counsel about bringing in volunteers and the impact of HIPPA.

Review of 2023 Recommended Budget: The committee reviewed the budget for the Veterans Office. Supervisor Crary would like to see more intentional requests for future budgets.
